

BACKGROUND

The Directorate General Factory Advice Service and Labour Institutes(DGFASLI), Mumbai is an attached office of the Ministry of Labour and Employment, Government of India to serve as a technical arm to assist the Ministry in formulating National Policies on Occupational Safety and Health and to advise the State Governments and Factories on matters concerning Safety, Health and well being of persons at work. It also enforces safety and health statutes in major Ports of the country.

The Regional Labour Institute Chennai is one of the subordinate office of the DGFASLI, with the objective of providing technical advices on matters connected with Safety, Health and Environment at workplaces to the State Governments and factories in the Southern Region. Regional Labour Institute, Chennai has been declared as “**Centre of Excellence for Safety in Construction and Automobile Industry**”.

OBJECTIVES

Indian Automobile Industry is becoming the 4th largest in the world with an increasing sales percentage and it was the 7th largest manufacture of commercial vehicles in 2017 (excluding two wheelers) several initiatives by the Govt. Of India and the Major automobile players in the Indian market are expected to make India a leader in the two wheeler and four wheeler market in the world by 2020.

The automobile Industries have a wide range of companies and organizations are involved in the design & development, manufacturing, marketing of motor vehicles are called automakers; it is one of the worlds’ largest economic sectors by revenue; the number of automobile industries is growing up exponentially in the country. As a result of this more & more workforce involved in various activities in automobile sectors; at the same time they are exposed to various hazards and risks in their work places. Hence, it is imperative to extend the support of safety and health awareness programs for such kind of workforce and also to further strengthening the safety and health management system in Automobile Industries.

In view of the above, the Regional Labour Institute, Chennai, besides carrying out various safety promotional activities, Organizing Seminars, Workshops, Stakeholders Meet also. In order to discuss

and sensitize the stakeholders on various issues in the field of Occupational Safety and Health in Automobile industries, the Regional Labor Institute, Chennai has proposed to organize a One Day **National Seminar on “Occupational Safety and Health in Automobiles Industries” on 28th February, 2019 at RLI, Chennai.** The seminar has been specifically designed to address the concerns on Safety and Health and suggest solutions for enhancing safety and health in Automobile industries.
