

BACKGROUND

The Directorate General Factory Advice Service and Labour Institutes (DGFASLI), Mumbai is an attached office of the Ministry of Labour and Employment, Government of India to serve as a technical arm to assist the Ministry in formulating National Policies on Occupational Safety and Health and to advise the State Governments and Factories on matters concerning Safety, Health, Efficiency and well being of persons at work. It also enforces safety and health statutes in major Ports of the country.

The Regional Labour Institute Chennai, Directorate General Factory Advice Service and Labour Institutes (DGFASLI), Ministry of Labour and Employment, Government of India was established with the objective of providing Technical service to State Governments and to the Industries in the southern region.

OBJECTIVE

Occupational Health is a division of Preventive Medicine and it is devoted to the prevention of disease and injury and to promotion of Health of people at work. Healthy worker is an asset to the management as a healthy worker can give maximum output in terms of productivity. As per Section 41C of the Factories Act, it is the responsibility of the management to provide medical examination for every worker before such worker is assigned to a job involving in handling of or working with a hazardous substance and while continuing in such hazardous job at regular intervals. Further, the provisions under Section 87 of the Factories Act, concerning dangerous operations emphasises on Medical Examination and provision of facilities needed for the protection of health of the workers.

This course is designed for Para-medical and Medical Executives from Occupational Health Centre(OHC) to develop an orientation on different aspects of Occupational Health practice. This program is mainly intended to make executives aware on health aspects of work place hazards and participation in development of Occupational Health program for workers to ensure minimum morbidity due to prevalent workplace hazards.

With this view of the foregoing, the Regional Labour Institute, Chennai has come up with a 3 days Training programme on **Occupational Health for**
