# PROSPECTUS

2017–2018

## 1. ABOUT THE COURSE

Rapid Technological developments and large scale Mechanization in Petrochemical, Chemical, Engineering Industries, Construction activities, etc. have resulted in complex Safety & Health problems in these Industries. Hence, these Industries need the services of qualified Safety professionals exclusively to take care of various Safety and Health aspects of their personnel / other persons who are likely to be affected by any adverse effects arising from these Industries. Recognizing this need and also to facilitate the Factory Management in fulfilling the Statutory requirements regarding appointment of Safety officers under Section 40-B of The Factories Act,1948, Central Labour Institute, Mumbai / Regional Labour Institutes, Chennai, Faridabad, Kanpur and Kolkata have been conducting the one year Diploma Course in Industrial Safety.

Further, the Factory Managements may be aware about the Amendments made in the year 1987 to the provisions of the Factories Act,1948 which places several responsibilities on the occupiers of Factories, including specific responsibilities on the Occupiers of Factories, carrying out 'Hazardous Processes'. These added responsibilities on the Factory Managements, have in turn increased the responsibilities of the Safety officers, who have to help and assist the managements in complying with the various provisions of the Act. The ADIS / DIS / PDIS offered by the Central Labour Institute, Mumbai and Regional Labour Institutes, Chennai, Faridabad, Kanpur and Kolkata is a recognized statutory qualification for appointment as Safety Officers as per The Factories Act,1948. These Diplomas are awarded by the Directorate of Technical Education of the respective State Governments.
